

## AR-15 Armorer Course Region XV

July 15-17, 2024 ♦ 8:00 PM - 5:00 PM  
Florida Public Safety Institute  
75 College Dr, Havana, FL 32333

### Course Description:

This 3-day course is designed to train armorers to maintain, inspect and repair the AR -15 Rifle. Students will learn the necessary skill sets required to inspect and repair the AR-15 Rifle and perform an armorer's duties.

This is a general course that will give the officer the ability to service any direct impingement AR-15 (most brands) and some piston driven AR-15's. We do not focus on one brand. If the student wishes they can bring their department issued rifle and any proprietary components can be discussed,. Additionally, I encourage students to bring any broken firearms from their department to diagnose for repair. If you would like any references please feel free to ask.

**\*\* Rifles are provided by the instructor\*\***

### Course Objectives:

- Inspect and make repairs to the AR-15 rifle platform
- How to track weapon maintenance
- Hands-on testing of the rifle

**Program:** Specialized Goals and Objectives

**Location:** FPSI, Firearms Building, 75 College Drive, Havana, FL 32333
